Support: 1.844.592.6472

Create an Account:

1. Go to the LMA application:
LMA.tpwd.state.tx.us.
2. Go to Register for an Account. Click **Create an Account**.
3. Fill in your information.
4. Click **Create New Account** and follow the instructions.

Login to the LMA application:

1. Go to the LMA application:
LMA.tpwd.state.tx.us.
2. Click **Login** to go to your LMA account.
3. Enter your email address and password.
4. Click **Login** to display the My Account page.

Create a Property:

1. From My Account page in the LMA application, find the My Properties pane (right).
2. Click **Add a Property** to display the new property page.

3. On the Add a (New) Property page, enter the property information.
4. Select the button to specify if you are the **Landowner**. If no, enter the landowner's information.
5. **Locate the Property** – Use the mouse to drag (pan) the map and the zoom controls to center the property in the mapping window.
6. Click **Satellite** (lower left of map) to display the satellite view.
7. Click **Draw Boundary** to map your property using the mapping tools.
8. Click a corner of your property boundary to start drawing. A point will be placed where you clicked, and a line will trace from that point. Move your mouse along the property boundary.
9. Click to drop a new point as often as needed to represent bends and corners in the property boundary. Work your way around the property boundary.
10. Finish the map by clicking the first point where you started to close the shape.
11. Specify whether the property is a single or multiple management unit.
12. Click **Next Step** to display the Management Unit Information page.

13. On the Management Unit Information page, enter the appropriate information.

If adding multiple management units, use the map-drawing tools to define each one. Click **Add Management Unit** to define each new management unit.

14. Click **Done**. You will be directed to a page to review TPWD's Technical Guidance policy.
15. Review the policy carefully.
16. Click **I Agree** to proceed.

Note: TPWD cannot provide technical guidance and your property cannot be enrolled in the Managed Lands Deer Program (MLDP) if you do not agree to this policy.

Congratulations. You will have successfully registered your property after the Technical Guidance policy agreement is complete. You can now enroll in the MLDP or submit a general request for technical assistance. Refer to the Create an Enrollment quick reference guide for further assistance.
