

Discovery Loan Boxes

Learning and fun, packed into one!

Theme: Black-Footed Ferret – Recovery from Extinction

Students can learn about the black-footed ferret and the recovery efforts that brought this North American mammal back from the brink of extinction.

The box can be used to enhance your classroom curriculum when discussing prairie ecosystems or endangered species. Contents of this box includes:

- Museum quality replicas of a black-footed ferret, coyote, badger and bobcat.
- Bison horn
- Mule deer antler
- Pronghorn horn sheath
- DVD's on the Endangered Black-footed Ferret and prairie ecosystems
- Black-footed Ferret Junior research biologist kit
- Black-footed Ferret Plush Toy
- Coyote and badger fur
- Curriculum and activity guide to help facilitate lesson plans.
