

## Texas Nature Trackers

### Private Lands Access Request Form

\_\_\_\_\_ (volunteer name) is participating as a volunteer in  
\_\_\_\_\_ program as a part of Texas Nature Trackers.

Texas Nature Trackers is a monitoring program that uses citizen volunteers to gather data about the status and distribution of Texas plant and animals species. Texas Parks and Wildlife Department (Department) is very pleased to have the assistance of concerned Texans in watching over the health of our natural heritage.

We have, however, instructed our volunteers that they cannot collect data on private land without the approval of the private landowner. Accordingly, we have prepared this form for your approval.

#### Landowner Permission

By my signature below, I hereby authorize the above-named volunteer(s) to enter private property I own or manage for the purpose of conducting surveys as a part of the above-named monitoring program. Permission is granted for the time period:

Beginning: \_\_\_\_\_ (month) / \_\_\_\_\_ (year)

Ending: \_\_\_\_\_ (month) / \_\_\_\_\_ (year)

I hereby further authorize the Department to store the information collected in Department databases and use the information in Department reports, maps, publications, and environmental project reviews. Although it is not the Department's goal to publicize locations where these species are located, I understand that this data may be released if requested.
