

Wildlife Practices and Activities Workshop Scheduled

Bobby Eichler - Technical Guidance Biologist - Texas Parks and Wildlife Department (979) 968-9942

A Wildlife Practices and Activities Workshop will be held at the Fayette County Agricultural Building in Lagrange on Friday, April 17th, from 8:30 AM to 3:00 PM. The workshop is designed for landowners interested in using wildlife management as a qualifying agricultural practice for property tax purposes. Presentations will cover rules for qualifying for wildlife tax valuation and tips on writing the wildlife management plan, as well as management practices that are commonly used for qualification. Additionally, the Fayette County Appraisal District will be present to explain what appraisers are looking for during site visits.

Program topics and demonstrations include agricultural property tax conversion for wildlife, what are appraisers looking for, providing cover for small game, vegetation management in woodlands, native grass restoration, controlling feral hogs, and nest boxes for songbirds.

The workshop is free but a \$12 catered lunch will be provided. To register, call Bobby Eichler with Texas Parks and Wildlife at (979) 968-9942 for a registration form. Please RSVP by April 10th.
