Lone Star Land Steward Awards Nomination Form

Ranch/Farm Name: _____ County: _____
Landowner Name: _____ Operator Name: _____
(If different from owner)

Section I: Description of Operation (Please limit each response to one page or less.)

- (1) Discuss the past and current habitat management practices conducted on the property, including but not limited to the following practices: livestock grazing, timber management, prescribed burning, brush control, wetland restoration/improvement, etc.
- (2) Discuss the past and current wildlife management practices conducted on the property, including census, population (harvest) management, supplemental feeding, nesting structures, water development, etc.
- (3) List all uses of natural resources that provide income on the property or properties. (Examples include farming, livestock, timber, oil and gas production, hunting leases, non-consumptive use of wildlife such as bird watching and photography, eco-tourism, etc.).

Section II: Land Management Goals (Describe the wildlife resource management goals of your operation.)

Section III: Land Management Accomplishments

- (1) What effect have land management practices had on the overall productivity of the property, including such things as wildlife quality and species diversity, livestock production, timber production, plant diversity, vegetation trends, water quality, soils, etc.?
- (2) Describe the landowner's involvement in cooperative research, demonstration, education, or programs that promote good wildlife and habitat management practices.
- (3) Describe any unique natural or cultural resource under management, preservation or enhancement.
- (4) Describe any innovative wildlife management or habitat management techniques that have been incorporated into the overall management scheme.

Section IV: Leadership, Outreach and Community Service

- (1) Describe the landowner's involvement in the local community and/or the agricultural community. Include offices held, titles, and other leadership positions, where appropriate.
- (2) Describe any outdoor recreational and/or educational opportunities that have been provided to other private landowners or the public; including youth, minorities, or handicapped citizens.
- (3) Describe any uses of the land as a teaching tool to share good management strategies with others, including but not limited to management technique demonstration, hunter safety and education, media tours, and scientific endeavor.

Section V: Supporting Information

In this section the applicant has the opportunity to describe specific stewardship practices in greater detail. Supporting information such as photos, maps, data and letters of support may be included with the application (please attach or email.)

Section VI: Landowner/Operator Acceptance of Nomination

The signature of the landowner or authorized agent indicates acceptance of the nomination for recognition in the Lone Star Land Steward Awards Program.

By signing, the landowner or authorized agent accepts this nomination for recognition and publicity in the Lone Star Land Steward Awards Program, and agrees to meet with a selection team on site to review conservation and management practices. Final selections will be announced in May.

Signature of Landowner or Authorized Agent

Date

Leopold Conservation Award Nominations (Only previous ecoregion winners are eligible).

The nominated landowner has previously been recognized with a Lone Star Land Steward Ecoregion Award for this property.

_____ Year Awarded _____ Ecoregion
