TEXAS PARKS & WILDLIFE EXPO

Adult Leader Activity Guide

BOY SCOUTS

Dear Group Leader:

Attached is a list of activities the youth in your group will have the opportunity to experience during their visit to Texas Parks & Wildlife Expo. An **ACTIVITY CHECKLIST** will be provided to each youth to assist him/her in keeping track of those activities in which he/she participates.

Participation in some of these activities may qualify him/her for certain merit badge or advancement requirements. These activities are noted on the attached summary and correspond with those on the **ACTIVITY CHECKLIST**. As activities are completed, the checklist can be initialed in the appropriate space by an attending Expo staff member or a leader. Youth should submit completed lists to their respective leaders.

Please make it clear to your group that participation in an activity or activities **DOES NOT NECESSARILY QUALIFY** a person for a particular advancement. Final determination of requirement fulfillment will be at the discretion of individual group leaders.

We have made every attempt to match advancement requirements with appropriate Expo activities. We may have missed some or misinterpreted others. Let us know how we can improve in this area.

Whether or not a boy or girl fulfills advancement requirements, our hope is that you, the youth leader, will encourage your young people to use the knowledge and experience they gain at Expo to pursue continued advancements in your organization.

Thank you from the Texas Parks and Wildlife Department, Academy Sports + Outdoors, and Arby's of Central Texas for your interest in Texas Parks & Wildlife Expo, and for your dedication to our nation's youth. Don't forget to enter your youth ages 6–17 for a chance to win a hunting, fishing or camping trip with the Outdoor Kids Challenge.

To manage and conserve the natural and cultural resources of Texas and to provide hunting, fishing and outdoor recreation opportunities for the use and enjoyment of present and future generations.
