

Exotic Species Research Permit Renewal Application

(for exotic fish, shellfish, and aquatic plants)

Application Fee
\$27

For assistance completing this form, please call 512-389-4742 or email IFpermits@tpwd.texas.gov
This application will not be considered unless fully completed and all fees are received.

APPLICATION FOR RENEWAL OF PERMIT RES _____

1. PRIMARY APPLICANT INFORMATION:

Effective September 1, 2015, Texas Parks & Wildlife is required to collect Social Security numbers for the purpose of child support enforcement under the Texas Family Code, Section 231.302 and Federal Statute 42 U.S.C. §666. Missing or incomplete information may delay application processing time.

First Name: _____ Last Name: _____

Social Security #: _____ Date of Birth: ____/____/____

Driver's License (DL) #: _____ DL State: _____

Title (required): _____

Company/Organization Name (required): _____

Mailing Address: _____
Street City Zip County

Telephone Numbers: Primary: (____) _____ - _____ Secondary: (____) _____ - _____

E-Mail (Required): _____

Would you like to help us reduce paper by choosing to receive your permit by email? Yes No

2. CO-APPLICANTS: Are there other researchers or individuals who supervise permitted activities or engage in permitted activities without primary applicant supervision? Yes No

If yes, they should be listed as co-applicants; attach PWD 1420-T3200, Permit Applicants Addendum found here: https://tpwd.texas.gov/publications/pwdforms/media/pwd_1420_t3200_permit_applicants_addendum.pdf

3. RESEARCHER QUALIFICATIONS:

Has the primary applicant changed since last year? Yes No

If yes, please attach a copy of the primary applicant's curriculum vitae or a brief description of qualifications to conduct research using harmful or potentially harmful exotic fish, shellfish or aquatic plants.

4. FACILITY INFORMATION:

Permits are not transferrable between facility locations. If you have a new facility, you will need to apply for a new permit.

A. Has the facility location changed? Yes No (If yes, you must submit an application for a new permit).

B. Has the facility undergone substantial changes or renovations during the current permitting period? (e.g. adding new tanks, ponds, aquaria, etc.) Yes No

If yes, contact the permit coordinator before submitting this application, as an inspection may be required.

5. SPECIES TRANSFERS:

If any individuals were transferred, you are required to submit a copy of your Exotic Species Transport Invoice for each shipment of exotic species. Attach copies of your invoices to the Research Summary Report.

6. RESEARCH SUMMARY REPORT:

By January 10th, you must submit a detailed research summary report to the department. Report format may be found here: https://tpwd.texas.gov/publications/pwdforms/media/pwd_1022A-T3200_exotic_species_research%20summary%20report%202020.docx

Note: All reporting documents must be received by the department by January 10th. Failure to provide the research summary report and any associated transport invoices by the deadline may delay permit issuance.

7. AFFIDAVIT:

I certify that

(1) I have received and read the Harmful or Potentially Harmful Exotic Fish, Shellfish and Aquatic Plant rules (31 TAC Ch.57A:

[https://texreg.sos.state.tx.us/public/readtac\\$ext.ViewTAC?tac_view=5&ti=31&pt=2&ch=57&sch=A&rl=Y](https://texreg.sos.state.tx.us/public/readtac$ext.ViewTAC?tac_view=5&ti=31&pt=2&ch=57&sch=A&rl=Y)) and

(2) I understand that I must permit authorized Department personnel to inspect facilities during normal business hours and randomly take samples of live exotic species in my possession for identification purposes if deemed necessary at any time.

I understand that under Texas Penal Code §37.10, it is a felony to make a false statement on this form.

Signature of Applicant

____/____/____
Date

Return completed application, research summary report, any Exotic Species Transfer Invoices and \$27 fee to:

Permit Coordinator, Inland Fisheries
Texas Parks & Wildlife Department
4200 Smith School Road
Austin, Texas 78744

TPWD may refuse issuance of a permit if the applicant has received a final conviction for a violation of Texas Parks and Wildlife Code, §§66.007, 66.0072, and 66.015, or Texas Administrative Code Title 31 Subchapter 57A (pertaining to harmful or potentially harmful exotic species), or if the application or facility fail to meet the requirements of this subchapter.

Texas Parks and Wildlife Department maintains the information collected through this form. With few exceptions, you are entitled to be informed about the information we collect. Under Sections 552.021 and 552.023 of the Texas Government Code, you are also entitled to receive and review the information. Under Section 559.004, you are also entitled to have this information corrected.
