HUB SUBCONTRACTING PLAN (HSP)

In accordance with Texas Government Code §2161.252 and the Texas Administrative Code each state agency (including institutions of higher education) that considers entering into a contract with the expected value of $100,000.00 or more shall determine whether subcontracting opportunities are probable under the contract before bid solicitation, proposals, offers or other applicable expressions of interest.
HUB Subcontracting Plan

In accordance with Texas Gov’t Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov’t Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.13 are:

- 11.2 percent for heavy construction other than building contracts,
- 21.1 percent for all building construction, including general contractors and operative builders’ contracts,
- 32.9 percent for all special trade construction contracts,
- 23.7 percent for professional services contracts,
- 26.0 percent for all other services contracts, and
- 21.1 percent for commodities contracts.

--- Agency Special Instructions/Additional Requirements ---

In accordance with 34 TAC §20.14(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent’s subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only contracts that have been in place for five years or less shall
EVERYONE WILL NEED TO COMPLETE PAGES 1, 2 and 3

- For those bids that are received without a correctly completed HSP, they are sometimes rejected. Some agencies will first try contacting the respondent for resubmission of a corrected HSP, or the necessary pages.

- The agency must be able (at all times) to get in touch with someone that is knowledgeable of the contract in case there are questions that need clarity or correction(s). For dead-line purposes.

- All evaluations will be done by a HUB Program Specialist.

- Even if you are a HUB, you are still required to complete the HSP

*Continuous Contract: Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

What if you are not subcontracting – do you still have to complete Section 2???

Everyone must complete Section 2
[RESPONDENT’S SUBCONTRACTING INTENTIONS] by either checking YES or NO

What you choose here will determine how you complete the rest of the application
KEEP IN MIND

you will never complete section 3 [Self Performing Justification], Good Faith Effort (GFE) Method A and/or GFE Method B for any one project. You will only complete one of the three scenarios based on your response(s) in section 2 [Respondent’s Subcontracting Intentions].
In accordance with 34 TAC §20.282, the word “subcontractor” for the state is:

a person/company who contracts with a prime contractor to work, to supply commodities or to contribute toward completing work for a government entity

**THEREFORE, IF YOU WILL BE SUBMITTING A BID RESPONSE FOR THIS PROJECT, YOU ARE NOT A SUBCONTRACTOR**
## SECTION 2: SUBCONTRACTING INTENTIONS RESPONDENT

After dividing the contract work into reasonable lots or portions to the extent consistent with prudent industry practices, and taking into consideration the scope of work to be performed under the proposed contract, including all potential subcontracting opportunities, the respondent must determine what portions of work, including goods and services, will be subcontracted. Note: In accordance with 34 TAC §20.11, an “Subcontractor” means a person who contracts with a prime contractor to work, to supply commodities, or to contribute toward completing work for a governmental entity.

a. Check the appropriate box (Yes or No) that identifies your subcontracting intentions:

- **Yes**, I will be subcontracting portions of the contract. (If Yes, complete Item b, of this SECTION and continue to Item c of this SECTION.)
- **No**, I will not be subcontracting any portion of the contract, and I will be fulfilling the entire contract with my own resources. (If No, continue to SECTION 3 and SECTION 4.)

b. List all the portions of work (subcontracting opportunities) you will subcontract. Also, based on the total value of the contract, identify the percentages of the contract you expect to award to Texas certified HUBs, and the percentage of the contract you expect to award to vendors that are not a Texas certified HUB (i.e., Non-HUB).

• Check the appropriate box that indicates whether your proposal contains an explanation demonstrating how your company will fulfill the entire contract with its own resources; using your own employees, materials, supplies, delivery/transportation (if applicable).

• We want to know how and why your company will be able to complete this entire contract with its own resources and/or employees without subcontracting.
Please see Page xx, Section xxx as it refers to how my company will perform the contract in its entirety with my company’s own equipment, supplies, materials and/or employees.

- evidence of existing staffing to meet contract objectives
- documentation (such as monthly payroll records) proving employment of qualified personnel holding the necessary licenses and certificates required to perform work that will be fully engaged in the contract
- Insurance documentation of equipment owned by your company that will be used for the fulfilment of the contract
In this space is where I explain how my company will perform the contract in its entirety with my company’s own equipment, supplies, materials and/or employees.

This section confirms that **you have done and will do all** that the HSP requires

- You should be able to contact the contract administrator of an agency if you need any type of assistance with completing the HSP.

SECTION 4 – AFFIRMATION - cont.

SECTION-4: AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency’s name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency’s point of contact for the contract no later than ten (10) working days after the contract is awarded.

- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at http://www.window.state.tx.us/procurement/prog/hub/hub-forms/progressassessmentrpt.xls).

- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency’s prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.

- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company’s headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.
If you do not meet or exceed the recommended HUB Goal and you ARE NOT using ONLY Texas Certified HUBs, then you will need to complete an Attachment B for each of the subcontracting opportunities listed on page 2, section 2.
If you are subcontracting with HUBs and NON-HUB vendors (or only with NON-HUB vendors) and the aggregate percentage you are subcontracting with HUB vendors (with which existing written contracts have been in place for five (5) years or less) **DOES NOT** meet the HUB goal for that category, **you must demonstrate your Good Faith Efforts by completing METHOD B (ATTACHMENT B)**
This section instructs you as to what you must do to demonstrate your Good Faith Effort to contract with HUBs

- You will need to complete an Attachment B for each opportunity you have listed on page 2, section 2

- Indicate the approximate dollar amount and expected percentage of the contract to be subcontracted

Must be the same percentages as listed on Page 2, Section 2

**SECTION B-2: MENTOR PROTÉGÉ PROGRAM**

If respondent is participating as a Mentor in a State of Texas Mentor Protégé Program, submitting its Protégé (Protégé must be a State of Texas certified HUB) as a subcontractor to perform the subcontracting opportunity listed in SECTION B-1, constitutes a good faith effort to subcontract with a Texas certified HUB towards that specific portion of work.

Check the appropriate box (Yes or No) that indicates whether you will be subcontracting the portion of work you listed in SECTION B-1 to your Protégé.

- [ ] Yes (If Yes, to continue to SECTION B-4.)
- [ ] No / Not Applicable (If No or Not Applicable, continue to SECTION B-3 and SECTION B-4.)

**SECTION B-3: NOTIFICATION OF SUBCONTRACTING OPPORTUNITY**

When completing this section you MUST comply with items a, b, c and d, thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and trade organizations or development centers about the subcontracting opportunity you listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person. When sending notice of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at [http://www.window.state.tx.us/procurement/prog/hub/hub-subcontracting-plan](http://www.window.state.tx.us/procurement/prog/hub/hub-subcontracting-plan).
LET'S PAUSE FOR A MOMENT AND DISCUSS THE MENTOR PROTÉGÉ PROGRAM

- Each agency is responsible for sponsoring a state Mentor Protégé agreement; designed to foster long term relationships between prime contractors/vendors and HUBs to increase the ability of utilizing HUBs to contract with the state or to receive subcontracts under a state contract. The objective is also for development and growth of proteges with the professional guidance and support of Mentors.

You may use your protégé to perform the specific subcontracting work (if applicable)
• Provide notice of the subcontracting opportunity to at least three (3) Texas Certified HUBs

• Provide notice of the subcontracting opportunity to at least two (2) Minority or Women Trade Organization/Development Centers

ALLOW NO LESS THAN 7 WORKING DAYS PRIOR TO SUBMITTING YOUR BID RESPONSE FOR HUBs TO RESPOND

***DOES NOT include holidays and/or weekends***
**SECTION B 3: NOTIFICATION OF SUBCONTRACTING OPPORTUNITY**

When completing this section you **MUST** comply with items a, b, c and d thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and trade organizations or development centers about the subcontracting opportunity you listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person. When sending notice of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at [http://www.window.state.tx.us/procurement/prog/hub/hub-subcontracting-plan](http://www.window.state.tx.us/procurement/prog/hub/hub-subcontracting-plan).

Retain supporting documentation (i.e., certified letter, fax, e-mail) demonstrating evidence of your good faith effort to notify the Texas certified HUBs and trade organizations or development centers. Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the trade organizations or development centers is considered to be “day zero” and does not count as one of the seven (7) working days.

a. Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to three (3) or more Texas certified HUBs. Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to your submitting your bid response to the contracting agency. When searching for Texas certified HUBs, ensure that you use the State of Texas’ Centralized Master Bidders List (CMBL) and Historically Underutilized Business (HUB) Search directory located at [http://mycpa.cpa.state.tx.us/ptaccmblist/index.jsp](http://mycpa.cpa.state.tx.us/ptaccmblist/index.jsp). HUB Status code “A” signifies that the company is a Texas certified HUB.

b. List the three (3) Texas certified HUBs you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company’s Vendor ID (VID) number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

Again, DO NOT count the first notification day as one of the seven (7) working days.
c. Provide written notification of the subcontracting opportunity you listed in SECTION B-1 to two (2) or more trade organizations or development centers in Texas to assist in identifying potential HUBs by disseminating the subcontracting opportunity to their members/participants. Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to trade organizations or development centers at least seven (7) working days prior to submitting your bid response to the contracting agency. A list of trade organizations and development centers that have expressed an interest in receiving notices of subcontracting opportunities is available on the Statewide HUB Program’s webpage at http://www.window.state.tx.us/procurement/prog/hub/mwb-links-1/.

You will need to justify why you are using a NON-HUB vendor instead of a HUB vendor???
c. If any of the subcontractors you have selected to perform the subcontracting opportunity you listed in SECTION B-1 is not a Texas certified HUB, provide written justification for your selection process (attach additional page if necessary):

**Method B (Attachment B)**

**Good Faith Effort**

**Section B-4 – cont.**

If you are awarded any portion of the requisition, you are to provide notice as soon as practical to all the subcontractors (both HUBs and NON-HUBs) of their selection as a subcontractor, with the expected percentage amount.

**Reminder:** As specified in SECTION 4 of the completed HUB Form, if you (respondent) are awarded any portion of the requisition, you are required to provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor. The notice must specify at a minimum the contracting agency’s name and its point of contact for the contract, the contract award number, the subcontracting opportunity it (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency’s point of contact for the contract no later than ten (10) working days after the contract is awarded.
LAST…but not LEAST

▸ Your HSP must be signed by an authorized and knowledgeable representative of the company

▸ If you *thoroughly* follow the instructions, you will be able to complete the HSP depending on the method by which you choose to demonstrate your Good Faith Effort to subcontract with HUBs
SECTION 4 – AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.

- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at http://www.window.state.tx.us/procurement/prog/hub/hub-forms/progressassessmentrpt.xls).

- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency’s prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.

- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company’s headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

Signature: ___________________________  Printed Name: ___________________________  Title: ___________________________  Date (mm/dd/yyyy): ___________________________

Reminder: EXAMPLE

- If you responded “Yes” to SECTION 2, Items c or d, you must complete an “HSP Good Faith Effort - Method A (Attachment A)” for each of the subcontracting opportunities you listed in SECTION 2, Item b.

- If you responded “No” SECTION 2, Items c and d, you must complete an “HSP Good Faith Effort - Method B (Attachment B)” for each of the subcontracting opportunities you listed in SECTION 2, Item b.
In accordance with Texas Gov't Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of $100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency I have identified below in Section B has determined that subcontracting opportunities are probable under the requisition to which my company will be responding.

34 Texas Administrative Code, §20.14 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least three (3) Texas certified HUBs (who work within the respective industry applicable to the subcontracting opportunity), and allow the HUBs at least seven (7) working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, at least seven (7) working days prior to submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting opportunities to two (2) or more trade organizations or development centers (in Texas) that serves members of groups (i.e., Asian Pacific American, Black American, Hispanic American, Native American, Woman, Service Disabled Veteran) identified in Texas Administrative Code, §20.11(19)(C).

We respectfully request that vendors interested in bidding on the subcontracting opportunity scope of work identified in Section C, Item 2, reply no later than the date and time identified in Section C, Item 1. Submit your response to the point-of-contact referenced in Section A.
