Each sample should be marked with respondent's name and address, and requisition number. Do not enclose in or attach response submission to sample.

2.5. The State will not be bound by any oral statement or representation contrary to the written specifications of this Solicitation.

2.6. Manufacturer's standard warranty shall apply unless otherwise stated in the solicitation.

3. AWARD OF A PURCHASE ORDER: Standard Purchase Order Terms and Conditions apply. If a conflict exists between the standard purchase order terms and conditions and specific language in this solicitation, the language in the solicitation shall prevail.
3.1 A response to a solicitation is an offer to contract with TPWD based on the terms, conditions and specifications contained in the solicitation. Responses do not become contracts unless and until they are accepted through an authorized TPWD designee by issuance of a purchase order.

3.2 This procurement will be conducted in accordance with the State Purchasing Act, Title 10, Subtitle D, Chapters 2151 through 2177, of the Texas Gov’t Code (TGC) and TPWD rules. Any contract resulting from this procurement shall consist of one (1) document. This document will contain all of the rights and duties of the parties extracted from the relevant terms and conditions of: this solicitation (including its attachments, exhibits, supplements, and addenda); the successful Contractor’s response; any TPWD request for a Best and Final Offer; and any successful Contractor’s Best and Final Offer, if applicable.

3.3 Best Value – TPWD will be the sole judge of best value. Award will be based on Best Value criteria and may include, but is not limited to:

3.3.1 Best meets the goals and objectives of the solicitation as stated above.
3.3.2 Best meets the quality and reliability of the proposed services.
3.3.3 Effect of the proposed solution on agency productivity.
3.3.4 Provides the most customer focused solution that will best meet the needs of the public.
3.3.5 Experience in successfully providing services in this solicitation.

3.3.6 Past Performance: A Respondent’s past performance will be measured based upon pass/fail criteria in compliance with applicable provisions of Gov’t Code §§2155.074, 2155.075, 2156.007, 2157.003, and 2157.125. Respondents may fail this selection criterion for any of the following conditions:

- The vendor has a score less than C or Legacy Unsatisfactory in the Vendor Performance System,
- Currently under a Corrective Action Plan through the Texas Comptroller of Public Accounts (CPA),
- Having repeated negative Vendor Performance Reports for the same reason,
- Having purchase orders that have been cancelled in the previous 12 months for non-performance (i.e. late delivery, etc.).

3.3.7 Contractor performance information is located on the CPA web site at: www.txsmaartbuy.com/vpts. TPWD may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through the Vendor Performance Tracking System (as authorized by 34 Texas Administrative Code §20.115), TPWD may examine other sources of vendor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Any such investigations shall be at the sole discretion of TPWD, and any negative findings, as determined by TPWD, may result in non-award to the Respondent.

4. UNIT PRICES: Respondents must price per unit shown. Unit prices shall govern in the event of extension errors.

5. FREIGHT: Quote FOB destination, freight prepaid and allowed unless otherwise stated within the specifications.

6. DELIVERY:

6.1 Show number of days required to place material in TPWD’s designated location under normal conditions. Delivery days mean calendar days, unless otherwise specified. Failure to state delivery time obligates respondent to deliver in 14 calendar days. Unrealistic delivery promises may cause solicitation to be disregarded.

6.2 If delay is foreseen, Contractor shall give written notice to the TPWD. Contractor must keep the TPWD advised at all times of status of order.

6.3 Default in promised delivery (without accepted reasons) or failure to meet specifications authorizes the TPWD to purchase supplies elsewhere and charge full increase, if any, in cost and handling to defaulting Contractor.

6.4 Substitutions: No substitutions permitted without prior written approval of TPWD.

6.5 Delivery shall be made during normal working hours only, unless prior approval has been obtained from TPWD. Normal working hours are 8:00 AM until 5:00 PM Monday through Friday except State and National holidays.
7. TESTING AND INSPECTION:

7.1. TPWD may test and inspect services provided under the Contract to ensure compliance with the specifications of this solicitation and the Contract. TPWD may also test and inspect goods and services before they are purchased under the Contract. Authorized TPWD personnel shall have free access to the Contractor’s supplies, equipment, and work product at all times for inspection and audit. Contractor shall provide TPWD with all necessary assistance during inspections and/or audits. The TPWD Project Manager or designee, will decide any and all questions that may arise as to the quality and acceptability of work performed, and as to the manner of performance and rate of progress of the work. The TPWD Project Manager or designee, will determine the amount of work performed and materials furnished which are to be paid under the contract. Failure of the TPWD Project Manager or designee, during the progress of the contract to discover or reject unacceptable work; discover work not in accordance with the contract; or failure to exercise any remedies in connection therewith, shall not be deemed an acceptance thereof, nor a waiver, of TPWD’s rights to full performance of the contract.

7.2. To the extent practical, TPWD inspections will not disrupt the Contractor’s daily operations. Contractor shall notify TPWD when work is ready for inspection or testing. It shall be the Contractor’s responsibility to give such notifications sufficiently in advance of other work to prevent delays. A minimum of five (5) working days advance notice is required. Failure to provide advanced notice shall cause any certifications of testing to be void and require the Contractor to re-test at TPWD’s request. All expenses for re-testing shall be borne by the Contractor.

7.3. Tests cannot be conducted, and work cannot be covered up until TPWD observes and authorizes continuation of the work. The Contractor shall bear all costs for re-tests and for removal and replacement of construction resulting from unauthorized continuation. Should TPWD fail to make the necessary inspections within the agreed timeframe, the Contractor may proceed with cover-up work after making every reasonable effort to contact TPWD and after documenting the work but is not relieved of responsibility for work to comply with requirements of the contract.

7.4. If applicable, all permanent utilities shall be connected before final tests are conducted for equipment and systems. Final operational tests shall be conducted prior to project acceptance by TPWD. The Contractor shall provide the materials, energy, equipment and personnel to conduct the tests required in the contract. If TPWD rejects materials that have been incorporated into the project, any testing performed to prove compliance will be at the expense of the Contractor.

8. CHANGES: TPWD may at any time, by a written order, make changes within the general scope of this contract, in the definition of services to be performed, and the time (i.e., hours of the day, days of the week, etc.) and place of performance thereof. If any such change causes an increase or decrease in the cost of, or the time required for the performance of any part of the services under this contract, whether changed or not changed by any such order, an equitable adjustment shall be made in the contract price or time of performance or both and the contract shall be modified in writing accordingly. Any claim by the Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change, provided, however, that TPWD, if it decides that the facts justify such action, may receive and act upon such claims asserted at any time prior to final payment under this contract. Failure to agree to any adjustment shall be a dispute concerning a question of fact within the meaning of the clause of this contract entitled "Dispute Resolution."

9. INVOICING AND PAYMENT:

9.1. Invoices: In order to receive payment under the Contract, the Contractor must submit an original invoice to TPWD, which will be designated in the purchase order as the "Bill To" address. To be a proper invoice that may be accepted and paid, the invoice must include the following information and/or attachments: (1) Name and address of the Contractor. (2) The Contractor's Texas Identification Number (TIN). (3) The Contractor's invoice remittance address. (4) The purchase order number authorizing the delivery of products or services. (5) A description of what the Contractor delivered, including, as applicable, the time period, serial number, unit price, quantity, and total price of the products and services. If the invoice is for a lease, the Contractor must also include the payment number (e.g., 1 of 36).

9.2. Disputed Invoices: As stated above, the Contractor will receive notice of an error in an invoice submitted for payment by not later than the 21st day after the date the invoice was received by the
TPWD. If an invoice dispute is resolved in favor of the Contractor, the Contractor is entitled to receive interest on the unpaid balance of the invoice, beginning on the date the invoice became overdue, pursuant to Gov't Code §2251.021. If a dispute is resolved in favor of the TPWD, the Contractor shall submit a corrected invoice that must be paid in accordance with Section 2251.021. The unpaid balance accrues interest if the corrected invoice is not paid by the appropriate date.

9.3. Time and Manner of Payment: Pursuant to Texas Gov't Code Chapter 2251, payment by TPWD is overdue on the 31st day after the later of: (1) the date the TPWD receives the goods under the Contract; (2) the date the performance of the service under the contract is completed; or (3) the date the TPWD receives the invoice for the goods or service. Payment by a political subdivision Customer whose governing body meets only once a month or less frequently is overdue on the 46th day after the later event of: (1) the date TPWD receives the goods under the Contract; (2) the date the performance of the service under the contract is completed; or (3) the date TPWD receives the invoice for the goods or service.

10. PATENTS, TRADEMARKS, OR COPYRIGHTS: Respondent agrees to defend and indemnify the TPWD and State from claims involving infringement or violation of patents, trademarks, copyrights, trade secrets, or other proprietary rights, arising out of the TPWD's or the State's use of any good or service provided by the respondent as a result of this solicitation.

11. PROHIBITION ON LOBBYING: The Respondent represents and warrants that TPWD's payments to Respondent and Respondent's receipt of appropriated funds or other funds under the contract are not prohibited by Sections 556.005 or 556.0055 of the Texas Government Code. Furthermore, the Respondent shall comply with the provisions of a federal law known generally as the Lobbying Disclosure Act, 2 U.S.C. §1601 et seq. It also certifies that the Respondent shall disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award by completing and submitting Standard Form LLL.

Bus. & Comm Code Chapter 15; (2) in connection with this Response, neither I nor any representative of the Respondent have violated any federal antitrust law; and (3) neither I nor any representative of the Respondent have directly or indirectly communicated any of the contents of this Response to a competitor of the Respondent or any other company, firm, partnership or individual engaged in the same line of business as the Respondent. The successful Contractor hereby assigns to TPWD, any and all claims for overcharges associated with any contract resulting from this solicitation which arise under the antitrust laws of the United States 15 U.S.C.A., Section 1, et seq. 14.2. If the Contractor's claim for breach of Contract cannot be resolved informally with TPWD, it shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Contractor shall submit written notice, as required by Chapter 2260. The notice shall also be given to the individual identified in the Contract for receipt of notices. Any informal resolution efforts shall in no way modify the requirement or toll the timing of the formal written notice of a claim for breach of
contract required under § 2260.051 of Texas Gov’t Code. Compliance by the Contractor with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

14.3. The contested case process provided in Chapter 2260 is the Contractor’s sole and exclusive process for seeking a remedy for an alleged breach of Contract by TPWD if the Parties are unable to resolve their disputes as described above.

14.4. Compliance with the contested case process provided in Chapter 2260 is a condition precedent to seeking consent to sue from the Legislature under Chapter 107, Civil Practices and Remedies Code. Neither the execution of the Contract by TPWD nor any other conduct of any representative of TPWD relating to the Contract shall be considered a waiver of sovereign immunity to suit.

14.5. Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by TPWD, the Contractor shall continue performance and shall not be excused from performance during the period any breach of contract claim or dispute is pending under either of the above processes; however, the Contractor may suspend performance during the pendency of such claim or dispute if the Contractor has complied with all provisions of Gov’t Code §2251.051, and such suspension of performance is expressly applicable and authorized under that law.

If the change entails personnel changes for personnel performing the responsibilities of the Contract for the Contractor, the Contractor shall identify the new personnel and provide resumes to TPWD, if resumes were originally required by the Solicitation. TPWD may request other information about the change and its impact on the Contract and the Contractor shall supply the requested information within five (5) working days of receipt of the request.

16.2. TPWD may terminate the Contract due to a sale of or change to the Contractor that materially alters the Contractor’s ability to perform under the Contract. The TPWD has the sole discretion to determine if termination is appropriate.

20. RIGHT TO AUDIT / RECORDS RETENTION: Under Section 2262.154 of the Texas Gov't Code, the state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under any contract or indirectly through a subcontract under the contract. The acceptance of funds by the Contractor or other entity or person directly under the contract or indirectly through a subcontract under the contract acts as acceptance of the authority of the State Auditor’s Office, TPWD or any successor agency, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, the Contractor or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. 21. FORCE MAJEURE: Neither Contractor nor TPWD shall be liable to the other for any delay in, or failure of performance, of any requirement included in the contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force

TPWD may grant relief from performance of contract if the Contractor is prevented from performance by such an act. The burden of proof for the need of such relief shall rest upon the Contractor. To obtain release based on force majeure, the Contractor shall file a written request with the TPWD reasonably promptly from the time the force majeure event occurs.

22. **PROPRIETARY OR CONFIDENTIAL INFORMATION; TEXAS PUBLIC INFORMATION ACT:**

22.1. Any proprietary, trade secret or otherwise confidential information Respondent includes in its Proposal must be clearly labeled as proprietary or confidential information, and Respondent must identify the specific exception to disclosure in the Public Information Act (PIA). Merely making a blanket claim the entire Proposal is protected from disclosure because it contains some proprietary information is not acceptable and shall make the entire Proposal subject to release under the PIA. In order for TPWD to initiate the process of seeking an Attorney General opinion on the release of proprietary or confidential information, the specific provisions of the Proposal that are considered by the Respondent to be proprietary or confidential must be clearly labeled as described herein. Any information which is not clearly identified as proprietary or confidential shall be deemed to be subject to disclosure pursuant to the PIA.

22.2. Information, documentation, and other material in connection with this Response or any resulting contract may be subject to public disclosure under the Texas Public Information Act, Chapter 552 of the Texas Gov't Code.

22.3. Contractor is required to make any information created or exchanged with the state pursuant to this contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state.

23. **RIGHT TO DATA, DOCUMENTS AND COMPUTER SOFTWARE (STATE OWNERSHIP):** Any software, research, reports studies, data, photographs, negatives or other documents, drawings or materials prepared by Contractor in the performance of its obligations under this contract shall be the exclusive property of the State of Texas and all such materials shall be delivered to the State by the Contractor upon completion, termination, or cancellation of this contract. Contractor may, at its own expense, keep copies of all its writings for its personal files. Contractor shall not use, willingly allow, or cause to have such materials used for any purpose other than the performance of Contractor's obligations under this contract without the prior written consent of the State; provided, however, that Contractor shall be allowed to use non-confidential materials for writing samples in pursuit of the work. The ownership rights described herein shall include, but not be limited to, the right to copy, publish, display, transfer, prepare derivative works, or otherwise use the works.

25. **CONFIDENTIALITY AND SECURITY:** The Contractor should not receive any sensitive or confidential information under the Contract. Any information the Contractor compiles or creates as a result of the Contract must be maintained and protected in accordance with any federal, state, or local laws and regulations that apply. The Contractor shall establish a method to secure the confidentiality of records and other information relating to clients in accordance with applicable federal and state laws, rules, and regulations. The obligations of the Contractor under this Confidentiality and Security Article shall survive this Contract and shall be included in all subcontracts.

26. **TERMINATION:** This contract shall terminate upon full performance of all requirements contained in this contract, unless otherwise extended or renewed as provided in accordance with the contract terms and conditions.

26.1. **Termination for Convenience:** TPWD reserves the right to terminate the contract at any time, in whole or in part, without cost or penalty, by providing 30 calendar days' advance written notice if TPWD determines that such termination is in the best interest of the state. In the event of such a termination, the Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately.
upon the effective date of termination. TPWD will be liable for payments limited only to the portion of work authorized by TPWD in writing and completed prior to the effective date of cancellation, provided that TPWD shall not be liable for any work performed that is not acceptable to TPWD and/or does not meet contract requirements. All work products produced by the Contractor and paid for by TPWD shall become the property of TPWD and shall be tendered upon request. Termination under this paragraph shall not relieve the vendor of any obligation or liability that has occurred prior to cancellation.

26.2. Termination for Cause/Default: If the Contractor fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any of the terms or conditions of the Contract, the TPWD may, upon written notice of default to the Contractor, terminate all or any part of the Contract after providing an opportunity to cure the default.

26.2.1. Contractor will be responsible for paying damages to TPWD including but not limited to re-procurement costs, and any consequential damages to the State of Texas or TPWD resulting from Contractor's non-performance. The defaulting Contractor will not be considered in the re-solicitation and may not be considered in future solicitations for the same type of work, unless the specification or scope of work is significantly changed.

26.3. The rights and remedies of TPWD provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

26.4. TPWD may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless TPWD notifies the Contractor in writing prior to the exercise of such remedy. The Contractor shall remain liable for all covenants and indemnities under the Contract. The Contractor shall be liable for all costs and expenses, including court costs, incurred by TPWD with respect to the enforcement of any of the remedies listed herein.

27. SURVIVAL OF TERMS: Termination of the Contract for any reason shall not release the Contractor from any liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, and invoice and fees verification.

28. RIGHTS UPON TERMINATION OR EXPIRATION OF CONTRACT: In the event that the Contract is terminated for any reason, or upon its expiration, TPWD shall retain ownership of all associated work products and documentation obtained from the Contractor under the Contract, unless otherwise specified.

29. CHANGE IN FEDERAL OR STATE REQUIREMENTS: If federal or state laws or regulations or other federal or state requirements are amended or judicially interpreted so that either TPWD or the Contractor cannot reasonably fulfill the Contract and if the Parties cannot agree to an amendment that would enable substantial continuation of the Contract, the Parties shall be discharged from any further obligations under the Contract.

30. TAXES: Purchases made for state uses are exempt from Texas State Sales Tax and Federal Excise Tax. An Excise Tax Exemption Certificate will be furnished upon written request to TPWD.

31. BUY TEXAS: In accordance with §2155.4441, Gov't Code, the Contractor agrees that during the performance of a contract for services it shall purchase products and materials produced in Texas when they are available at a price and time comparable to products and materials produced outside Texas.

32. NOTE TO RESPONDENT: Any terms and conditions attached to a solicitation will not be considered unless specifically referred to on this solicitation form and may result in disqualification of the response submission. If any respondent takes a 'blanket exception' to the entire solicitation or does not provide proposed alternative language, the respondent's response may be disqualified from further consideration.

33. ACCESSIBILITY STANDARDS: Under Texas Government Code, Chapter 2054, Subchapter M, TPWD must procure products that comply with the Accessibility Standards defined in the Texas Administrative Code, 1 TAC 206 and 1 TAC 213, when such products are available in the commercial marketplace or when such products are developed in response to a procurement solicitation. Accordingly, Contractor must provide

Vendors who do not already have accessibility documentation should complete the form located here: http://www.itic.org/policy/accessibility/. Contractors that claim their products are exempt from accessibility requirements must present that position to TPWD as a question during the question and answer period of the solicitation.

34. **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY, AND VOLUNTARY EXCLUSION:** Respondent certifies that the responding entity and its principals are eligible to participate in this transaction and have not been subjected to suspension, debarment, or similar ineligibility determined by any federal, state or local governmental entity and the Respondent is in compliance with the State of Texas statutes and rules relating to procurement and that Respondent is not listed on the federal government's terrorism watch list as described in Executive Order 13224.

Prior to awarding state funds for goods and/or services rendered, the State of Texas will conduct a required search of your firm using SAM. This is a Federal government-maintained database that records and tracks organizations, either known to or suspected of contributing to terrorist organizations. No state funds may be paid to an individual or firm whose name appears on this list. TPWD reserves the right, in its sole discretion, to deny and/or exclude any individual or firm from an award whose name appears on this list.

36. **FEDERAL DISASTER RELIEF FRAUD:** Sections 2155.006 and 2261.053 of the Gov’t Code, prohibit state agencies from accepting a response or awarding a contract that includes proposed financial participation by a person who, in the past five years has been convicted of violating a federal law or assessed a penalty in connection with a contract involving relief for Hurricane Rita, Hurricane Katrina, or any other disaster, as defined by Section 418.004 of the Gov’t Code, occurring after September 24, 2005. Under Sections 2155.006 and 2261.053 of the Texas Gov’t Code, Respondent certifies that the individual or business entity named in this response or contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate.

37. **APPLICABLE LAWS AND VENUE:** The Contract shall be governed by and construed in accordance with the laws of the State of Texas, with regards to the conflicts of law provisions. The venue of any suit arising under this Contract is fixed in any court of competent jurisdiction in Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to TPWD.

38. **APPLICABLE LAWS AND CONFORMING AMENDMENTS:** Contractor must comply with all laws, regulations, requirements and guidelines applicable to a Contractor providing services to the State of Texas as these laws, regulations, requirements and guidelines currently exist and as they are amended throughout the term of this Contract. Note: Executive Order (EO) 13706, Establishing Paid Sick Leave
for Federal Contractors applies to all contracts subject to the
Davis-Bacon Act for which the contract is awarded (and any
solicitation was issued) on or after January 1, 2017. If this
contract is covered by the EO, the contractor must provide
employees with 1 hour of paid sick leave for every 30 hours
they work, up to 56 hours of paid sick leave each year.
Employees must be permitted to use paid sick leave for their
own illness, injury or other health-related needs, including
preventive care; to assist a family member (or person who is
like family to the employee) who is ill, injured, or has other
health-related needs, including preventive care; or for reasons
resulting from, or to assist a family member (or person who is
like family to the employee) who is a victim of, domestic
violence, sexual assault, or stalking. Additional information
on contractor requirements and worker protections under the EO
is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within
the scope of the classifications listed may be added after
award only as provided in the labor standards contract clauses
(29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification
and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.
Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination
* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the
Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
