PURPOSE OF ADDENDUM: CLARIFICATIONS

Except as provided herein, all terms and conditions of the document referenced herein, remain unchanged and in full force and effect. The following are official revisions, specifications and/ or clarifications to this solicitation. This Addendum shall be attached to and form a part of the referenced solicitation document and any resulting awarded contract, and must be considered in your response.

Questions and Answers

Question # 1: Should we bid based on the model(s) specified, or bid based on specific operating requirements with the lower 85%UVT value?

Answer: Please use the 90% UVT value as Sea Center does not have equipment to measure the UV transmission of the recirculating flounder raceway systems.

Question # 2: Do we include freight?

Answer: Please see Information For Bid (IFB), Solicitation # 802-24-51704, section 6.a.
