In the event the goods tested fail to meet or exceed all conditions and requirements of the solicitation and Contract, the goods will be rejected in whole or in part, at the State's option, and returned to the Respondent or held for disposition at the Respondent's expense. Latent defects may result in cancellation of the Contract at no expense to the state.
- 7.2. If material fails to meet specifications, the Respondent will be notified by fax, mail, or e-mail. The Respondent will have ten (10) working days after receipt of the notification to remove the rejected material from state property. Material will be removed at the Respondent's expense. Material not removed in the allotted time period will be disposed by TPWD. The Respondent will be charged for all disposable expenses conducted by TPWD.

- 8. **CHANGES**: TPWD may at any time, by a written order, make changes within the general scope of this Contract, in the definition of services to be performed, and the time (i.e., hours of the day, days of the week, etc.) and place of performance thereof. If any such change causes an increase or decrease in the cost of, or the time required for the performance of any part of the services under this Contract, whether changed or not changed by any such order, an equitable adjustment shall be made in the Contract price or time of performance or both and the Contract shall be modified in writing accordingly. Any claim by the Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change, provided, however, that TPWD, if it decides that the facts justify such action, may receive and act upon such claims asserted at any time prior to final payment under this Contract. Failure to agree to any adjustment shall be a dispute concerning a question of fact within the meaning of the clause of this Contract entitled "Dispute Resolution."

If an invoice dispute is resolved in favor of the Contractor, the Contractor is entitled to receive interest on the unpaid balance of the invoice, beginning on the date the invoice became overdue, pursuant to Gov't Code §2251. 021. If a dispute is resolved in favor of the TPWD, the Contractor shall submit a corrected invoice that must be paid in accordance with Section 2251.021. The unpaid balance accrues interest if the corrected invoice is not paid by the appropriate date.

In order for TPWD to initiate the process of seeking an Attorney General opinion on the release of proprietary or confidential information, the specific provisions of the Proposal that are considered by the Respondent to be proprietary or confidential must be clearly labeled as described herein. Any information which is not clearly identified as proprietary or confidential shall be deemed to be subject to disclosure pursuant to the PIA.

In the event of such a termination, the Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. TPWD will be liable for payments limited only to the portion of work authorized by TPWD in writing and completed prior to the effective date of cancellation, provided that TPWD shall not be liable for any work performed that is not acceptable to TPWD and/or does not meet Contract requirements. All work products produced by the Contractor and paid for by TPWD shall become the property of TPWD and shall be tendered upon request. - 26.4. TPWD may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless TPWD notifies the Contractor in writing prior to the exercise of such remedy. The Contractor shall remain liable for all covenants and indemnities under the Contract. The Contractor shall be liable for all costs and expenses, including court costs, incurred by TPWD with respect to the enforcement of any of the remedies listed herein.
- 27. **SURVIVAL OF TERMS:** Termination of the Contract for any reason shall not release the Contractor from any liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, and invoice and fees verification.
