6.5. Delivery shall be made during normal working hours only, unless prior approval has been obtained from ordering agency. Normal working hours are 8:00 AM until 5:00 PM Monday through Friday except State and National holidays.

Authorized TPWD personnel shall have access to the Respondent's place of business for the purpose of inspecting the goods. To the extent practical, TPWD inspections will not disrupt the Respondent's daily operations. Tests shall be performed on samples submitted with the Bid/Proposal or on samples taken from regular shipments. All costs of testing and inspection shall be borne by the Respondent. In the event the goods tested fail to meet or exceed all conditions and requirements of the solicitation and Contract, the goods will be rejected in whole or in part, at the State's option, and returned to the Respondent or held for disposition at the Respondent's expense. Latent defects may result in cancellation of the Contract at no expense to the state.

7.2. If material fails to meet specifications, the Respondent will be notified by fax / mail or e-mail. The Respondent will have ten (10) working days after receipt of the notification to remove the rejected material from state property. Material will be removed at the Respondent's expense. 8. **CHANGES:** TPWD may at any time, by a written order, make changes within the general scope of this contract, in the definition of services to be performed, and the time (i.e., hours of the day, days of the week, etc.) and place of performance thereof. If any such change causes an increase or decrease in the cost of, or the time required for the performance of any part of the services under this contract, whether changed or not changed by any such order, an equitable adjustment shall be made in the contract price or time of performance or both and the contract shall be modified in writing accordingly. Any claim by the Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change, provided, however, that TPWD, if it decides that the facts justify such action, may receive and act upon such claims asserted at any time prior to final payment under this contract. Failure to agree to any adjustment shall be a dispute concerning a question of fact within the meaning of the clause of this contract entitled "Dispute Resolution."

9.2. **Disputed Invoices:** As stated above, the Contractor will receive notice of an error in an invoice submitted for payment by not later than the 21st day after the date the invoice was received by the TPWD. If an invoice dispute is resolved in favor of the Contractor, the Contractor is entitled to receive interest on the unpaid balance of the invoice, beginning on the date the invoice became overdue, pursuant to Gov’t Code §2251.021. If a dispute is resolved in favor of the TPWD, the Contractor shall submit a corrected invoice that must be paid in accordance with Section 2251.021. The unpaid balance accrues interest if the corrected invoice is not paid by the appropriate date.

9.3. **Time and Manner of Payment:** Pursuant to Texas Gov’t Code Chapter 2251, payment by TPWD is overdue on the 31st day after the later of: (1) the date the TPWD receives the goods under the Contract; (2) the date the performance of the service under the contract is completed; or (3) the date the TPWD receives the invoice for the goods or service. 14.2 If the Contractor’s claim for breach of Contract cannot be resolved informally with TPWD, it shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Contractor shall submit written notice, as required by Chapter 2260. The notice shall also be given to the individual identified in the Contract for receipt of notices. Any informal resolution efforts shall in no way modify the requirement or toll the timing of the formal written notice of a claim for breach of contract required under § 2260.051 of Texas Gov’t Code. Compliance by the Contractor with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.
14.3 The contested case process provided in Chapter 2260 is the Contractor's sole and exclusive process for seeking a remedy for an alleged breach of Contract by TPWD if the Parties are unable to resolve their disputes as described above.

RIGHT TO AUDIT / RECORDS RETENTION: Under Section 2262.154 of the Texas Gov’t Code, the state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under any contract or indirectly through a subcontract under the contract. The acceptance of funds by the Contractor or other entity or person directly under the contract or indirectly through a subcontract under the contract acts as acceptance of the authority of the State Auditor’s Office, TPWD or any successor agency, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, the Contractor or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Contractor shall ensure that this paragraph concerning the State’s authority to audit funds received indirectly by subcontractors through Contractor and the requirement to cooperate is included in any subcontract it awards. 21. **FORCE MAJEURE:** Neither Respondent nor TPWD shall be liable to the other party for any delaying, or failure of performance, of any requirement in the contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed, provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, fire, explosions, hurricanes, floods, epidemics or pandemics, national or regional emergency, failures of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. 26.1 **Termination for Convenience**: TPWD reserves the right to terminate the contract at any time, in whole or in part, without cost or penalty, by providing 30 calendar days' advance written notice if TPWD determines that such termination is in the best interest of the state. In the event of such a termination, the Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. TPWD will be liable for payments limited only to the portion of work authorized by TPWD in writing and completed prior to the effective date of cancellation, provided that TPWD shall not be liable for any work performed that is not acceptable to TPWD and/or does not meet contract requirements. 26.4 TPWD may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless TPWD notifies the Contractor in writing prior to the exercise of such remedy. The Contractor shall remain liable for all covenants and indemnities under the Contract. The Contractor shall be liable for all costs and expenses, including court costs, incurred by TPWD with respect to the enforcement of any of the remedies listed herein.
