Re: U.S. Fish and Wildlife Service Grant to Williamson County, Texas, (Section 6 Grant #E-40-RL)

Dear Mr. Carter:

As you know, the U.S. Fish and Wildlife Service awarded Williamson County, Texas, the Section 6 Grant #E-40-RL, Bone Cave Harvestman Habitat Preserve (commonly known as Millennium Preserve), in coordination with the Texas Parks and Wildlife Department.

Last year, the Service and TPWD amended this grant to extend the agreement period (see enclosed letter). The purpose of this letter is to inform the appropriate TPWD and Service representatives that Williamson County will not be able to use the funds offered by this grant.

We appreciate the efforts of you and other key agency personnel in support of the species conservation initiatives of the County, and look forward to our continued partnership.

Yours respectfully,

A handwritten signature in black ink, appearing to read "David Hartman", with a stylized, flowing script.

David Hartman

GRANT: E-40-RL

Joyce Johnson, Chief
Division of Federal Aid, Region II
U.S. Fish and Wildlife Service
P.O. Box 1306
Albuquerque, New Mexico 87103

Attention: Carlotta Ortiz

Dear Joyce:

Enclosed is an amendment to the above grant (Bone Cave Harvestman Habitat Preserve, Williamson County, Texas) to increase its duration. Williamson County and the State Ecological Services needs time to find a property that meets the grant objective. The original tract they planned to use for this grant had already been purchased by the County outside the grant agreement period, and therefore, could not be used. If you have any questions, please contact me at 512-389-4641.

Sincerely,

Neil (Nick) E. Carter
Federal Aid Coordinator
