

Virtual Kid Fish 2021 Activity Sheet

Lake Corpus Christi State Park

January 28th – February 14th

Watch the videos that correspond to your age group*, complete their matching questions, bring your activity sheet to our park headquarters, and receive a free fishing pole and free entry into the park for you and two adults**!

Ages 5 & 6: Videos 1-4 • Ages 7-9: Videos 1-8 • Ages 10-12: Videos 1-12

Videos

1-4

1. How old are you? Based on your age, which videos should you watch?
2. Ram mentioned a few different baits you can use. What kind of bait will you bring with you?
3. Draw a picture of what you think a fish print of a rainbow trout would look like. You can draw it on this page, on the back, or on a different piece of paper.
4. What were the two knots that Adam taught us how to tie?

Videos

5-8

5. Are rainbow trout a typical fish you find in Texas?
6. What did Game Warden Marbach say is the daily bag limit for rainbow trout?
7. Imagine you just got a new fishing pack. List at least 3 things you might put in your pack:
 - 1.
 - 2.
 - 3.
8. Why do Pvt. Mack and Lt. Dolifka have their line wrapped around their cane pole?

Videos

9-12

9. Why did Ranger Carlos cover the fish in so much salt?
10. Draw a bird bill that would be effective at getting bugs out of a tree's bark.

11. Let's be a scientist like Holly! Fill out the following data sheet and stomach content table for the black drum.

Researcher name: _____

Date (mm/dd/yy): _____

Time (hh:mm): _____

Location: Texas

Stomach Content from: Black Drum

Food Type	Number
1.	
2.	
3.	
4.	
5.	
6.	

12. Why do they rotate the brood stock at the Marine Development Center?

*Videos available on our Facebook and the Texas Parks and Wildlife Education Channel.

**If the park is at capacity, you will be asked to come back a different day and given a voucher as proof.
