

2026 Texas NASP® State Tournament

Alternate Shoot Date Application Form

Texas NASP has always made every effort to be inclusive. Although the tournament is scheduled to avoid traditional spring break weeks, school-related conflicts may still arise.

To accommodate those situations, Texas NASP has designated two alternate shooting dates for the 2026 Texas NASP State Tournament. These alternate dates are available **only for archers who are unable to compete on March 20 - 21, 2026 due to a verified school-related conflict.**

Each application will be reviewed on a case-by-case basis. Submission of this application **does not guarantee approval** to participate at an alternate location or date.

Only school-related events will be considered.

Family vacations, personal travel, or non-school-related conflicts will not be approved.

Providing false information will be considered unsportsmanlike conduct and a violation of NASP Tournament Rules. Any falsification may result in disqualification of the archer and/or their school from the 2026 Texas NASP State Tournament.

Please complete this application in full and select your preferred alternate site/date.
