

Texas Master Naturalist Aquatic Plant Photo Submission Contest

Calling all TMN volunteers!!!

Scan the QR above
for full details or
click [here](#)

Submitted photos will be
used for:

- Educational materials including but not limited to online courses, programs, social media, AquaPlant website, and factsheets
- Understanding distributions of Texas aquatic plants to enhance program delivery in various regions of the state

Submitting photos agrees to these uses and the names of the photographer will be associated with each photo
