

Texas Waters Specialist Program

Start Your Advanced Training Today!

About Texas Waters Curriculum

To inform and educate the citizens of Texas about the most precious natural resource Texas possesses, its water.

Certification Requirements

Obtain at least 8 hours of Advanced Training from a combination of the following:

- Attend Texas Waters webinars - live webinars and/or view recorded webinars
- Read Texas Waters curriculum and answer Questions to Consider and pass quizzes
- Attend Texas Waters Day event, sessions, or field trips at the Master Naturalist Annual Meeting
- Other approved aquatic or watershed learning activities or trainings (*up to 4 hours*)

New Specialists earn a Certificate of Recognition and a heron pin!

Annual Renewal Requirements

- Participate in at least 10 hours of volunteer service in the area of aquatic conservation, ecology, education, or stewardship

Examples: Habitat restoration, water quality monitoring, storm drain marking, clean-ups, and educational programs & events.
