

Copper Breaks State Park Public Hunting Information

Background

Copper Breaks State Park consists of 1956 acres, 12 miles south of Quanah or 9 miles north of Crowell, in Hardeman County. The park was acquired by purchase from a private owner in 1970 under the State Parks Bond Program and was opened in 1974. The park features rugged, scenic beauty with mixed grass/mesquite-covered mesas and juniper breaks. North Texas wildlife abounds at Copper Breaks State Park. Roadrunners, great blue herons,

many species of ducks, meadow larks, quail, doves, cardinals, owls, flickers, bluebirds, kites, hawks and mockingbirds are just a few of the many species of birds found in the park. Most species of mammals in the park are best viewed during the early morning and late evening hours. The public hunts are being conducted to control the impact to natural resources on the park. Access to the park will be limited to drawn participants. Hunters may use park camping facilities for which the standard fee is charged. For more information, contact the Park headquarters (940) 839-4331.

Objectives

The department desires to restore and maintain healthy populations of native fauna and flora in natural habitats and to provide for compatible public use. Where game populations exceed carrying capacities of the habitats, the preferred method of reduction is public hunting. The hunts are designed to implement a biologically sound management practice. We hope to reduce pressure on available browse species and thereby reduce competitive pressure on the park's deer herd, as well as reduce or stop habitat destruction and alteration caused by exotic species.

Orientation

Deer Hunts: Permitted hunters must report to the Park headquarters by **10:00 a.m. the day before** the first day of their scheduled hunt for **mandatory** orientation. **No latecomers will be accepted**. No standbys. Hunters should be able to show proof of hunting licenses, any required stamps, tags and/or APH permit during orientation. **Hunters must contact the area as soon as possible if they are unable to attend their accepted hunt.** Deer Hunts will begin one half hour before sunrise on the first day and end at noon on the last day of their scheduled hunt period. Hunters must visibly wear a **minimum of 400 square inches of daylight fluorescent orange material**, with at least 144 square inches appearing on both chest and back and orange headwear at all times regardless of species hunted.

Waterfowl Hunts: Permitted hunters must report to the Park headquarters by 10:00 a.m. on the first day of their scheduled hunt for mandatory orientation. No standbys. Hunters should be able to show proof of hunting licenses, any required stamps, tags and APH permit during orientation. Hunters must contact the area as soon as possible if they are unable to attend their accepted hunt. Hunters are recommended to bring pop up blinds or layout blinds for waterfowl hunts. Shotguns with non-toxic shot are the only legal means for waterfowl. Retrieving dogs are allowed during the hunt only, while in camp retrieving dogs must be kept on a leash and supervised at all times.
