

# Lake Whitney State Park

## Background

Lake Whitney State Park consists of approximately 775 acres on the eastern shore of Lake Whitney in Hill County. The park is located 2.5 miles southwest of Whitney on FM 1244. The area consists of rolling grassland with scattered stands of mesquite, cedar elm, hackberry, live oak and post oak. The Park will be closed to the public during the hunt. Entrance fees will be waived to drawn hunters.

An objective of the department for this hunt is to provide additional hunting opportunities for Texas sportsmen.

## Hunting Information

All park rules and regulations must be adhered to unless superseded by hunting regulations. Permitted hunters should report to the Park Headquarters by 12 noon on the first day of their assigned hunt period. **Hunters must contact the area as soon as possible if they are unable to attend their accepted hunt or not able to arrive on the first day for orientation.** Standby hunters should report to the front gate of the park by 12 noon the first day of the desired hunt period to complete the application process. Standby hunters will be drawn at 12 noon as vacancies permit. Standby hunters will be drawn as vacancies permit.
