

## Pedernales Falls State Park Annex

### Background

The “annex” is about 350 acres of park property across the Pedernales River from the park. **A hunt on this area will be a backpacking experience and it is suggested that only those with backpacking experience and in good physical condition participate.** A hunt on this property will include use of a cabin and the park will charge a \$90.00 facility use fee for the cabin (paid at the Park). The facility use fee will be split evenly between hunters occupying the cabin. Hunters will hike with their equipment down a short embankment and across the river. The river will be about 1-3 feet deep, rocky and about 100 feet wide.

Once across there is a 300-yard hike to the cabin. A game cart will be provided to transport animals back

to camp. The cabin consists of 2 rooms, a kitchen and a shared sleeping quarters and a screened porch. Amenities include water, electricity, stove, refrigerator, self-composting toilet, shower, cooking and eating utensils. The cabin has a couch/sleeper and a bunk bed. Hunters will have to bring their own linens or sleeping bag.

Due to unpredictable nature of the Pedernales River the park may have to cancel the hunt if severe river or weather conditions are expected. Call the Park Headquarters for further information (830) 868-7304.
