

Potter County Cross Bar Mgt. Area

Hunting Information

- The only legal public access to the Cross Bar is via hiking or bicycling in from the Canadian River. Therefore, flooding conditions may restrict entry into the property.
- **No motorized vehicles.** Mountain bikes and e-bike class 1 are allowed.
- Cross Bar Mgt. Area boundaries, outlined in maps provided by the Cross Bar Manager, must be strictly adhered to as the area is surrounded by private lands. Private landowners have the right to prosecute for illegal trespass.
- Overnight camping is allowed.
- Open campfires are prohibited.
- Hunters must pack out what they pack in. No trash should be left behind and spent brass should be picked up when possible.
- All TPWD hunting rules and regulations must be strictly adhered to.
- It is the responsibility of the hunters to have all proper hunting licenses and hunter education before the hunt.
- **All observed illegal activity must be reported directly to the Game Warden (806) 470-0827** and then follow up with the Cross Bar Manager (806) 231-2009 and TPWD District Biologist (806) 476-9630.
- Hunters should check in via phone with the Cross Bar Manager when their hunt begins and check out when their hunt ends, and they leave the property.
- **Mandatory: Harvested animals must be reported to the Cross Bar Manager.**
