14. **Absolutely no dogs** or pets are allowed on Mitchell Ranch.

We feel that most, if not all, of these rules are items in which you would abide by even if they were not stated. However, we have found it necessary to make these rules because of abuses of hunters in the past. Our goal is for all of our hunters to be able to safely enjoy hunting season as much as reasonably possible while (1) taking care of the property and its assets (wildlife, native plants,.), (2) respecting the livestock on the property and (3) respecting the rights and feelings of our neighbors.

Yes, we do have rattlesnakes. It isn't uncommon to see them moving in December. On warm days, we have encountered rattlesnakes coming out of their dens to catch some sun.
