

RESACA DE LA PALMA STATE PARK

Cameron County

The Resaca de la Palma State Park consists of 1,175 acres, which includes a meandering resaca (ox-bow lake), old age native brush, re-vegetation sites, and open farm fields. The Park is located 1.2 miles west of the intersection of US Hwy 281 and FM 3248 (Alton Gloor Rd) west of Brownsville, then 1.2 miles north on a dirt field road. The check station is located on the southernmost boundary. The closest complete commercial facilities are available in Brownsville. Call the Park headquarters for more information (956/350-2920).
