

DUCK HUNTERS:

INVASIVE SPECIES HIDE IN YOUR GEAR AND BOAT

TAKE ACTION TO KEEP THEM FROM MOVING TO OTHER LAKES

CLEAN

your boat, trailer and gear. Remove all plants and debris.

DRAIN

all water from your watercraft and gear.

DRY

or power wash everything before entering another water body.

Invasive species hurt our Texas lakes. They threaten water recreation, aquatic life and even our water supply.

ZEBRA MUSSELS

GIANT SALVINIA

To report a violation, call (800) 792-4263.
