

ADVISORY

ZEBRA MUSSELS ARE IN THIS WATER BODY

CLEAN

your boat, trailer and gear.
Remove all plants, mud
and debris before
leaving the ramp.

DRAIN

all water from boat,
motor, bait buckets
and any compartments.

DRY

a week or more, or power
wash everything with
hot, soapy water before
visiting another water body.

PROTECT THE LAKES YOU LOVE. STOP INVASIVE SPECIES.

Zebra mussels attached to your boat? Call TPWD before moving it! (512) 389-4848
