

Moving your boat to another lake?

If your boat has been stored in the water, it must be decontaminated.

Invasive zebra mussels are in this lake and you could be taking them with you.

Don't risk it.

Get guidance on how to decontaminate your boat.

Call the Texas Parks and Wildlife
Department's 24/7 hotline:

(512) 389-4848

or email AquaticInvasives@tpwd.texas.gov

For more information, visit www.tpwd.texas.gov/decon

It's the Law!

In Texas, it is unlawful to possess or transport aquatic invasive species, dead or alive. Many other states also have mandatory boat inspection stations and decontamination requirements. More info on Texas regulations at www.tpwd.texas.gov/ALSregs

See a violation? Report it to (800) 792-4263.
