How to Vote for Bastrop State Park to Win $100,000 from Coke

Online Voting: During the Contest Period, visit www.LivePositively.com/parks to cast your vote. Follow the links and instructions to locate and vote for a Park. Each eligible vote will earn 1 Vote for the Park.

Clicking on the Vote Now button will take you to a Facebook App **but you need not have a Facebook Account to vote.**

It will offer you the option of voting online or with the Foursquare mobile app. (**There is no limit on the number of times each Voter may vote online.**)

"Checking-in" via Foursquare: During the Contest Period, you may also check-in from a Park using a smartphone and the foursquare application. Before voting, you must link your foursquare account to the Contest by visiting **www.LivePositively.com/parks** and accepting permissions. Once linked, each eligible "check-in" will earn 100 Votes for the Park!

Getting the Foursquare App: If you don't have Foursquare on your mobile device (iPhone, Android, Blackberry, iPod Touch, and on iPad iOS 4.0 or later), you can download the app for free from the App Store via your device. Once downloaded, you will need to create an account which requires an email/password OR you can log in via your Facebook or Twitter account.

Now you are ready to check-in from the park! Select Check-in from the options at the bottom of the screen and it will display all the locations near you. Select **Bastrop State Park** and check-in. That's all there is to it.

Limits: Each Voter may check-in to a Park as many times as permitted by Foursquare during the Contest Period. As of the date of this writing, per Foursquare guidelines, **you are only allowed to "check in" once per 15-minute period, three times per hour and 28 times each day from any one location**.

Additional Voting Opportunities: From time to time, Sponsor may add additional ways to accumulate Votes for a Park. These will be communicated on www.LivePositively.com/parks or in another manner as determined by Sponsor, in its sole discretion.

Thanks for helping Bastrop win this needed grant!
