Davis Mountains State Park

Explore trails that range from high adventure to peaceful stroll.

Whether you’re a mountain biker, equestrian, hiker or trail runner, Davis Mountains State Park offers what your heart desires. Scenic vistas and abundant wildlife are around every corner. Breathe in the mountain air and experience the same sensation that the young men of the CCC did. They built this park in the 1930s to be enjoyed for generations to come.

STAYING SAFE

**KNOW YOUR LIMITS.** Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

**DRINK PLENTY OF WATER.** Your body quickly loses fluids when you’re on the trail. Bring a quart of water per hour of activity.

**TELL OTHERS WHERE YOU’LL BE.** If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

**WEAR A HELMET.** When biking, check with park HQ to match the ride to your skill level. Wear a helmet to protect yourself in case of a crash.

**YOU MAY NOT BE ABLE TO CONNECT.** It’s a good idea to take along a cell phone and GPS unit, but don’t count on them.

**WILD ANIMALS AND DESERT PLANTS LIVE HERE** You’ll see them more easily if you stay on trails.
