### STAYING SAFE

**KNOW YOUR LIMITS.** Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

**DRINK PLENTY OF WATER.** Your body quickly loses fluids when you're on the trail, especially in desert conditions. Bring a quart of water per hour of activity. Turn back when your water is down by half.

**TELL OTHERS WHERE YOU’LL BE.** If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

**WEAR A HELMET.** When mountain biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

**MAINTAIN A SAFE DISTANCE FROM THE CANYON RIM.** Footing can be unstable due to loose rock.

**YOU MAY NOT BE ABLE TO CONNECT.** Cell service is unreliable in the park.

**FOR EMERGENCIES, PLEASE CALL 9-1-1.**
