Kickapoo Cavern State Park

Adventure awaits! Enjoy the park’s rugged beauty, above and below ground.

Get back to nature and experience the most remote area of the Texas Hill Country. Explore the trails on foot or by mountain bike. Enjoy the sights and sounds of nature and immerse yourself in solitude. Scenic landscapes await at every turn. Remember, “Life’s Better Outside.”

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you’re on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU’LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

YOU MAY NOT BE ABLE TO CONNECT. It’s a good idea to take along a cell phone and GPS unit, but don’t count on them.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You’ll see them more easily if you stay on trails.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to harm people.

Take only memories and pictures. Please don’t disturb or remove any of the park’s plants, animals or artifacts.

Keep pets on leashes for their safety, and to protect wildlife.
