Resaca de la Palma State Park

The hidden treasure of South Texas

Welcome to Resaca de la Palma State Park! Lush woodlands of Texas ebony and anacua trees border the resaca, or oxbow lake, running through the park. Explore over 10 miles of nature trails or relax on the tram as it navigates through the well-preserved ecosystem. Make sure to stop by the Visitor Center to check out the gift shop and butterfly gardens. Tram rides available Wednesday-Sunday.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/ hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart (32 oz.) of water per hour of activity. Bringing your furry-friend? Don't forget water for them, too!

TELL OTHERS WHERE YOU’LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When biking, always ride to your skill level. Wear a helmet to protect yourself in case of a crash.

YOU MAY NOT BE ABLE TO CONNECT. It’s a good idea to take along a cell phone and GPS unit, but don’t count on them.

PETITIONALY HARMFUL PLANTS AND ANIMALS LIVE HERE. You’ll see them more easily if you stay on trails.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to harm people.

Take only memories and pictures. Help preserve nature. Leave all plants and animals in the park.

Keep pets on leashes to keep them safe, while protecting wildlife.

Use only your muscles. To protect park resources, no motor vehicles are allowed on the trails or tram loop.

FOR EMERGENCIES, PLEASE CALL 9-1-1.
