## An oasis of fun, relaxation and wildlife.

Just a quick trip from the busy city life, you can set your own pace at Lake Casa Blanca International State Park. Recharge mentally and physically by enjoying a day fishing or paddling the lake, or by mountain-biking or hiking the trails. Whatever you decide to do, you'll discover wildlife on the land, in the lake and flying above you in the sky.

### STAYING SAFE

**KNOW YOUR LIMITS.** Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

**DRINK PLENTY OF WATER.** Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

**TELL OTHERS WHERE YOU'LL BE.** If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

**WEAR A HELMET.** When mountain biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

**POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE.** You can see them more easily if you stay on trails. Do not approach wildlife!

**FOR EMERGENCIES, PLEASE CALL 9-1-1.**
