Meridian State Park

Explore a hidden oasis developed by the Civilian Conservation Corps.

Discover the rich history and natural beauty of this quiet oasis, where Prairie and Hill Country meet. Explore the park from over 5 miles of hiking trails. Choose from a scenic loop around the lake, or shorter, rugged trails through wildlife habitat.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET WHEN BIKING. Check with park HQ to match the ride to your skill level. Wear a helmet to protect yourself in case of a crash.

WEAR A LIFE JACKET. The law requires that all children under age 13 wear one with adult supervision while boating.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You'll see them more easily if you stay on trails.

FOR EMERGENCIES, PLEASE CALL 9-1-1.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to harm people.

Take only memories and pictures. Please don't disturb or remove any of the park's plants, animals or artifacts.

Keep pets on leashes for their safety, and to protect wildlife.

Campfires are permitted only in designated rings and not in the primitive camping area due to potential for ground scarring and wildfires.
