Mother Neff State Park

A natural gathering place in the heart of Central Texas

Welcome to Mother Neff State Park, heart of the Texas state park movement. Climb the Civilian Conservation Corps (CCC) built rock tower and peer over forests of oak and juniper. Walk through Washita prairie grasslands and enjoy the remarkable diversity of plants and wildlife in this small park.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. Biking is only permitted on park roads. Always wear a helmet and watch for traffic.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You'll see them more easily if you stay on the trails.

WEATHER CHANGES QUICKLY. Check forecasts before you leave home and prepare for changes in the weather.

FOR EMERGENCIES, PLEASE CALL 9-1-1.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash, including dog poo bags, and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to harm people.

Don't Pocket the Past. Help preserve Texas heritage. Leave artifacts where you find them and report their location to a ranger.

Take only memories and pictures. Disturbing or removing any of the park's plants, animals or artifacts is a violation of state law.

Keep pets on leashes for their safety, and to protect wildlife.

Campfires are permitted only in designated rings due to potential for ground scarring and wildfires.
