STAYING SAFE

- KNOW YOUR LIMITS.** Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.
- DRINK PLENTY OF WATER.** Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.
- TELL OTHERS WHERE YOU'LL BE.** If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.
- WEAR A HELMET.** When biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.
- CHECK FOR TRAIL CLOSURES.** Certain trails may be closed during prescribed burns or for other resource management work.
- POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE.** You'll see them more easily if you stay on trails.
