## Explore a rich history rooted in the ancient Western Cross Timbers.

You're visiting the Western Cross Timbers, where Native Americans, legendary cattlemen, and health seekers all found sustenance. Witness the history of a community by hiking, biking, or horseback riding on more than 11 miles of trails in the park. Choose from nearby waterfront trails, or explore the scenic backcountry Cross Timbers trails.

### STAYING SAFE

**KNOW YOUR LIMITS.** Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

**DRINK PLENTY OF WATER.** Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

**TELL OTHERS WHERE YOU'LL BE.** If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

**WEAR A HELMET.** When biking, check with park HQ to match the ride to your skill level. Wear a helmet to protect yourself in case of a crash.

**POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE.** Stay on the trail to make them easier to see.

**CLIMB SMART.** All climbers and rappellers must check in at headquarters. Climbing and rappelling permitted only in Penitentiary Hollow.

### TRAIL ETIQUETTE

**Trash your trash.** Keep the park natural. Pack out all of your trash and Leave No Trace.

**Leave feeding to nature.** Feeding wild animals will make them sick and more likely to cause harm to people.

**Take only memories and pictures.** Please don't disturb or remove any of the park's plants, animals or artifacts.

**Campfires are permitted only in designated rings.** Ground fires are not permitted in the primitive camping area or backcountry trail area.
