Cedar Hill State Park - DORBA Unit

Take to the trails for adventure!

Remnants of historic Texas Blackland Prairie provide important habitat for prairie wildlife and migratory birds here at Cedar Hill. The clay-like consistency of the soil becomes very tacky when wet. In order to prevent erosion along the trails, they're often closed on rainy days. Be sure to check with the office for any trail closures!

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart (32 oz.) of water per hour of activity. Bringing your furry-friend? Don't forget water for them, too!

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When biking, always ride to your skill level. Wear a helmet to protect yourself in case of a crash.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You'll see them more easily if you stay on trails.

BRING A MAP. Keep an eye on trail signs to help orient you in case of an emergency.

FOR EMERGENCIES, PLEASE CALL 9-1-1.

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to cause harm to people.

Pick your path. Bicyclists travel clockwise, while hikers should travel counterclockwise on these trails.

Be courteous! Cyclists yield to hikers.
