   - This shoreline spot offers a quiet place to view nature's artwork.
Journey through quiet woods and waters...

As you travel the trails, alligators glide through dark water, citrus-scented white blossoms hang from magnolia trees, and woodpeckers tap in majestic pines. Elsewhere, sandy-bottomed Lake Steinhagen offers paddling destinations through waters swollen with life. Create lasting memories of journeys through Martin Dies, Jr. State Park.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you’re on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU’LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

ALLIGATORS LIVE IN THIS PARK. Stay at least 30 feet away. Stay out of the water! Never annoy or attempt to feed!

BE CAREFUL IN THE BOAT. Upon entering or exiting a canoe or kayak, stay low, move slowly and hold onto both sides of the boat.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to cause harm to people.

Take only memories and pictures. Please don’t disturb or remove any of the park’s plants, animals or artifacts.

Keep pets on leashes to keep them safe while protecting wildlife.

Campfires are permitted only in designated rings and not in the primitive camping area due to potential for ground scarring and wildfires.

Use only your muscles. To protect park resources, no motor vehicles are allowed on the trails.

FOR EMERGENCIES, PLEASE CALL 9-1-1.
