Create lasting memories of journeys through Martin Dies, Jr. State Park.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you’re on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU’LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET WHEN BIKING. Check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

ALLIGATORS LIVE IN THIS PARK. Keep at least 30 feet away from them. Stay out of the water! Never annoy or try to feed an alligator!

BE CAREFUL IN THE BOAT. Upon entering or exiting a canoe or kayak, stay low, move slowly and hold onto both sides of the boat.

Keep pets on leashes for their safety, and to protect wildlife.

Campfires are permitted only in designated rings and not in the primitive camping area due to potential for ground scarring and wildfires.
