Stephen F. Austin State Park

Find solitude and beauty in a river-bottom forest.

Just beyond the campgrounds, discover a quiet wilderness surprisingly close to the city. Hike or bike the wandering trails of Stephen F. Austin State Park. When you watch closely, nature reveals hidden treasures at every turn.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

POTENTIALLY HARMFUL PLANTS AND ANIMALS MAY LIVE HERE. You'll see them more easily if you stay on the trails. Do not approach wildlife!

CHECK FOR TRAIL CLOSURES. Certain trails may be closed during prescribed burns or for other resource management work.

TRAIL ETIQUETTE

Trash your trash. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick. Please do not feed them.

Take only memories and pictures. Please don't disturb or remove any of the park's plants, animals or artifacts.

Watch for grazing cattle. Give them plenty of space and do not approach these animals.
