- 1 WILDLIFE VIEWING AREA**
30° 39' 54.54" N 95° 0' 6.78" W
Among other things, this unique location lets you observe waterfowl, other birds through a blind, and a native pollinator garden that includes a monarch butterfly waystation.
- 2 FROG POND**
30° 40' 1.08" N 95° 0' 7.56" W
A great stop on a night hike, the frog pond makes you a concertgoer to a native amphibian symphony.
- 3 OBSERVATION TOWER**
30° 39' 37.2" N 95° 0' 24.3" W
Offering the best view in the park, the tower allows you to see Pine Island (the lake's largest island), the park day-use area, the fishing pier and raptors on the hunt.

Lake Livingston State Park

FOR EMERGENCIES, PLEASE CALL 9-1-1.

A lakeside forest in the Pineywoods.

Hike quiet trails of tall loblolly pines and hardwoods. Take your family fishing anywhere along 2.5 miles of park shoreline. Natural wonders and outdoor fun always find you at Lake Livingston State Park.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When biking, check with park HQ to match the ride to your skill level. Wear a helmet to protect yourself in case of a crash.

WEAR A LIFE JACKET. The law requires that all children under age 13 wear one with adult supervision while boating.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You'll see them more easily if you stay on trails.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to cause harm to people.

Take only memories and pictures. Please don't disturb or remove any of the park's plants, animals or artifacts.

We need to know about your caches. Please check with park HQ before placing geocaches within the park.

Use only your muscles. To protect park resources, no motor vehicles are allowed on the trails.

Keep pets on leashes for their safety, and to protect wildlife.
