Alligator Etiquette and Safety Tips

The American alligator does exist in and around the waters of the lake and the park. Respect alligators in their habitat:

- Enjoy viewing them at a safe distance (30 feet, minimum).
- Designated swimming area closes at sunset. Keep all pets out of the water.
- Do not feed or harass alligators. Offering food or bait is dangerous and illegal.
- Do not fish near an alligator that's interested in your bait.
- Inform park staff of nuisance alligators or anyone feeding or harassing alligators.

Stop the spread of invasive species.
CLEAN, DRAIN and DRY your boat.
