Explore the place where nature and history meet in the Lost Pines.

Discover rebirth in this living laboratory of loblolly pines as the forest reveals a new cycle of life following the 2011 Bastrop County Complex wildfire. Native Americans, Spanish explorers, Civilian Conservation Corps (CCC) enrollees, and now YOU can explore the only ecosystem the endangered Houston toad calls home. Welcome to the woods!

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

POTENTIALLY HARMFUL PLANTS AND ANIMALS MAY LIVE HERE. You'll see them more easily if you stay on trails.

ENDANGERED SPECIES HABITAT. Pause at Houston toad ponds but do not disturb! Keep your pets on a leash and watch where you step.

LOOK UP, DOWN, AND ALL AROUND FOR HAZARDS. Beware of falling trees and limbs above you, especially during high winds! Don't stand under dead trees. Watch out for stump holes at your feet.

Pileated woodpecker

FOR EMERGENCIES, PLEASE CALL 9-1-1.

| TRAIL | DISTANCE | DIFFICULTY | DESCRIPTION |
|-------------------------------------|----------|-------------|---|
| PINEY HILL SPUR | 0.3 mi. | Moderate | Camping in Piney Hill? Connect to the rest of the trails here. Halfway down the trail, see exposed Carrizo sandstone like the CCC used to build park structures in the 1930s. |
| PINE WARBLER TRAIL | 0.3 mi. | Moderate | From the playground area, wind through native grasses down towards the Scenic Overlook Trail and Post Oak Spur. Look for animal tracks in the sand near Copperas Creek. |
| POST OAK SPUR | 0.5 mi. | Moderate | Enjoy the shade of post oaks before hiking this hilly, rocky trail. If you connect with the Pine Warbler Trail, this route will take you to the Refectory. |
| HERON HIDEAWAY | 1.4 mi. | Moderate | Ramble on this rocky route around the 20-acre Little Alum Creek Lake. Experience incredible fishing, birding, and wildlife viewing! Only accessible on foot. Camping is not permitted here. |
| FARKLEBERRY SPUR | 0.4 mi. | Moderate | This gently sloping route connects to the Scenic Overlook Trail and is great for beginners. Keep a sharp eye out for birds, especially in the morning! |
| WALKING & STROLLER PATHS | Varies | Easy | These paths are perfect for an easy hike! On the north side, listen to the wind through loblolly pines. On the south side, linger by Lake Mina for some family fishing. Great for strollers! |
| SCENIC OVERLOOK TRAIL | 1.7 mi. | Moderate | From the scenic overlook, a steep descent leads to the major artery of the inner loop trails that follow Copperas Creek. Discover the original CCC hike-in picnic area. |
| LOST PINES LOOP | 8.6 mi. | Challenging | The longest backcountry trail in the park covers a diverse landscape - from steep hills to gradual descents. Take plenty of water, snacks, and sunscreen. Use Harmon Road as a landmark. There is NO shade on this trail. |

TRAIL ETIQUETTE

Check at headquarters for trail closures. Certain trails may be closed during prescribed burns or for other resource management work.

Campfires are not permitted on trails due to the potential for ground scarring and wildfires. Smokers, please discard cigarette butts in designated containers.

Trash your trash. Pack out all of your trash and Leave No Trace.

Help preserve Texas Heritage. Please do not disturb, remove, or deface any of the park's plants, animals, artifacts, or CCC structures.

Keep pets on leashes to keep them safe, while protecting wildlife.
