Lockhart State Park

Discover the natural and historical diversity around every turn.

Regardless of the trail you choose, a unique adventure awaits. Each trail in Lockhart State Park yields dense habitat, opportunities to see wildlife, and historic structures built by the Civilian Conservation Corps (CCC) from 1935-38.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

YOU MAY NOT BE ABLE TO CONNECT. It's a good idea to take along a cell phone and GPS unit, but don't count on them.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to cause harm to people.

Take only memories and pictures. Please don't disturb or remove any of the park's plants, animals or artifacts.

Keep pets on leashes to keep them safe while protecting wildlife.
