STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart (32 oz.) of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET WHEN BIKING. Check with park HQ to match the ride to your skill level. Wear a helmet to protect yourself in case of a crash.

CHECK FOR TRAIL CLOSURES. Certain trails may be closed during wet conditions or for other resource management work.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You'll see them more easily if you stay on trails.

LOOK UP, DOWN, AND ALL AROUND FOR HAZARDS. Beware of falling trees and limbs above you, especially during high winds! Don't stand under dead trees. Watch out for stump holes at your feet.

FOR EMERGENCIES, PLEASE CALL 9-1-1.
