Nearly 40 miles of trails beckon you to explore the canyonlands and grasslands of Government Canyon State Natural Area. Join us in our mission of protecting highly sensitive ecosystems by observing proper trail etiquette as you explore.

STAYING SAFE

CHECK FOR TRAIL CLOSURES. As a State Natural Area, our principal mission is to protect natural and cultural resources. Environmental conditions may result in temporary trail closures.

KNOW YOUR LIMITS. Prepare for sun and heat. Wear a hat and take plenty of water, snacks and sunscreen. People average two miles per hour while hiking.

DRINK PLENTY OF WATER. Bring a quart (32 oz.) of water per hour of activity, and don’t forget your pets – they need water too.

LET OTHERS KNOW YOUR PLANS. If alone, leave details visible from your vehicle.

HELMETS ARE RECOMMENDED. When mountain biking, check with staff to match the trail to your skill level. Wear a helmet to protect yourself.

GOT BARS? Take along a cell phone and GPS unit, but don’t count on them.

TRAIL ETIQUETTE

Preserve your trails. Staying off wet trails helps prevent rutting, erosion and destruction of trails.

Trash your trash. Put the “natural” in natural area. Pack out all of your trash and Leave No Trace.

Take only memories and pictures. Please don’t disturb or remove any of the natural area’s plants, animals or artifacts. Stay on designated trails.

Leave feeding to nature. Feeding wild animals can make them sick and harm their ability to survive on their own.

Leash your pets. Keeping them on a leash and under control protects your pets, other people and wildlife. Please note that NO pets are allowed in the Backcountry.

Respect fellow trail users. Be courteous to all trail users; bikers must yield to hikers.
