Welcome to the Rolling Plains.

Explore the rugged beauty and rich history of Copper Breaks State Park on 10 miles of trails. Challenge yourself on rocky biking trails, choose your own adventure on a network of hiking loops, or take your time and ride the equestrian trails.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

WEAR A LIFE JACKET. The law requires that all children under age 13 wear one with adult supervision while boating.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You'll see them more easily if you stay on trails.

TRAIL ETIQUETTE

Trash your trash. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick. Please do not feed them.

Take only memories and pictures. To protect park resources, no motor vehicles are allowed on the trails.

Share the trail. Hikers yield to equestrians; bikers yield to hikers and equestrians.

Tread lightly. Shortcuts and detours from the trails destroy the park's fragile sandstone, and the ancient stories it holds.
