### STAYING SAFE

**KNOW YOUR LIMITS.** Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

**DRINK PLENTY OF WATER.** Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

**TELL OTHERS WHERE YOU'LL BE.** If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

**WEAR A HELMET.** When mountain biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

**POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE.** You'll see them more easily if you stay on trails.

**HUNTERS MAY BE ACTIVE DURING HUNTING SEASON.** Check with HQ for more information.
