You’ll discover restored grasslands, interesting rock formations, hardwood river bottoms and amazing wildlife. So hit the trail!

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you’re on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU’LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When mountain biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You’ll see them more easily if you stay on trails.

HUNTERS MAY BE ACTIVE DURING HUNTING SEASON. Check with HQ for more information.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to harm people.

Take only memories and pictures. Please don’t disturb or remove any of the park’s plants, animals or artifacts.

Watch for grazing longhorns. Give them plenty of space and do not approach these animals.

FOR EMERGENCIES, PLEASE CALL 9-1-1.
