Inks Lake State Park

Explore this oasis in the Hill Country!

Despite its size, the park has lots of ways to discover the wonders of nature as you cross creeks and walk over rocks more than a billion years old. You’ll find a plethora of wildlife viewing opportunities and places to connect to the outdoors on over eight miles of trail.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you’re on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU’LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A LIFE JACKET. The law requires that all children under age 13 wear one with adult supervision while boating.

WEATHER CHANGES QUICKLY. Check forecasts before you leave and prepare for changes in the weather.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You’ll see them more easily if you stay on trails. Do not approach wildlife!

TRAIL ETIQUETTE

Trash your trash. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick. Please do not feed them.

Take only memories and pictures. Please don’t disturb or remove any of the park’s plants, animals, rocks, or artifacts.

Keep pets on leashes to keep them safe, while protecting wildlife.

Campfires are only permitted in fire rings due to potential for ground scarring and wildfires.

We need to know about your caches. Please obtain a permit from HQ before placing geocaches within the park.

FOR EMERGENCIES, PLEASE CALL 9-1-1.
